

How Long will it take to get my Alpine or OEM unit serviced?

Rating: 5/5 from 1 votes | Last Updated: Wed, Oct 11, 2017 at 9:18 PM

Turn-around Time

- Alpine repairs are complete in approximately 5-7 working days (transit time not included).
- OEM repairs may be completed in 7-10 working days.

Note: Delivery of the product to an authorized Alpine service center or payment of any initial shipping charges is the responsibility of the owner. If the repairs are covered by warranty, and if the product was shipped to an authorized Alpine service center as specified above, Alpine will pay the return shipping charges.

Customers may direct their service and repair questions to Alpine Service repair.
